

FREE ROOF GIVEAWAY!

IN THIS ISSUE

Celebrating 25 Years in Business!

Your Bathroom Project Starts Here!

5 Ways to Prepare Your Home for Winter.

All Seasons Construction is proud to announce Jammie Parks as the winner of our FREE roof giveaway this year. All Seasons installed the roof the week of Oct. 10th and had a neighborhood block party on Oct. 14th to celebrate Mr. Parks' new roof! We can't wait for next August to give away another roof!

Testimonials

"All Seasons was wonderful with personality and service they provided to our family. They had great professionalism, as well as working with us during the project on specific things that we needed completed. We would recommend this company and use them again for any future needs we may have!" -Tracy M.

"The All Seasons salesman worked with our insurance on the hail damage that the adjuster did not notice. Neighbors commented how quiet they were when removing the old siding and replacing it with the new siding. Very professional installation and the end result was very good." -Bill C.

Celebrating 25 Years in Business!

This year marks 25 years of excellent service for All Seasons Construction. In 1991, Jeff Hund, president and CEO, started All Seasons Construction, Inc.

His goal was to better serve customers with superior service and quality. After 25 years, we could not be more proud to serve the community in which we work and live. Nothing is more satisfying than making a customer's house a home.

For the 5th year in a row, All Seasons has been ranked in the Qualified Remodeler Top 500 list of largest remodeling firms in the United States! Thank you for the continuing support; we really appreciate it! We could not do this without you!

Your Bathroom Project Starts Here!

We are now offering **BathWraps** for your bathroom remodel. So whether you need a walk-in tub or replacement shower, we have the ability to customize your bath system to your exact specifications. And, it can be installed in as little as **ONE DAY!**

Replace Old Windows and Doors

Now is the time! As the temperature is dropping, you may notice that your home isn't quite as warm as it should be. You could be losing heat and allowing cold air in through your old windows and doors. Make your home more inviting for your holiday guests with a beautiful new door, and keep them warm with replacement windows while you're at it this Christmas season.

5 Ways to Prepare Your Home for Winter

It's time to start thinking about ways to get your home ready for the cooler months ahead. Here are five ways you can get a head start and prepare your home for winter.

Seals and Openings: Drafts coming in through your windows and doors can be a costly expense added onto your energy bills, so you'll want to make sure your home is sealed up tight everywhere possible.

Roof Inspection: Summer storms and heat can take a toll on your roof. You'll need to do a visual check for any loose shingles or other damage caused during the summer.

Siding and Gutters: Do a walk-around to see if any siding has become damaged or displaced. Your gutters and downspouts should also be checked for debris to make sure they are not clogged.

Faucets, Hoses and Sprinklers: Freezing temperatures can burst pipes and hoses, so disconnect and drain all garden hoses and shut off exterior faucets.

Lawn and Trees: Check your trees for any loose or damaged limbs that may become a problem in the coming months.

FINANCING IS AVAILABLE!

No interest and no payments for 12 months with approved credit! **Start your project today!**
